

What Students & Graduates Have to Say About Willamette Valley Dental Assisting School (WVDAS) & Their Experience...

I had a great experience at the school! Learning so much and being able to practice it with hands on helped me so much! Thank you Teri for spending the time and helping me understand. You're the best! –*Olesya Feshchenko*

WVDAS is amazing! The funnest part was learning in an actual office! I have learned so much about dental assisting and I can't wait to get started! –*Brittany Byars*

I have had a very exciting experience here at Willamette Valley Dental Assisting School. Thanks to the knowledgeable teachers and caring staff I feel I am able to handle the dental field with what I have learned here in this fast-paced challenging course!! –*Heather Howell*

The best part of going to WVDAS was the hands on experience in the dental clinic. Also making new friends with other students made learning fun and exciting! Teri was the best! –*Angie Stevens*

My favorite part was working in the clinic and getting to know the girls, many good stories. Teri Rocks. –*Alex Moschetti*

The best part was to be in the clinical portion learning from other classmates, taking in our own personal experiences. It's fun to learn at WVDAS! It wouldn't have been the same without Teri! –*Brittani*

My experience at WVDAS was very fun yet fulfilling. I enjoyed the clinical portions every week to practice what we learned in class. It has made me confident as I move into my new career. –*Jennie Conway*

This was "Bril"! Very fun. My favorite area was learning amalgams and composites. Classmates were awesome to go to school. Especially after getting to know them better after being locked out of the classroom. Teri, thanks for everything Your outgoing personality made the class fun! Thanks. –*Ashley Michelle Stairs*

My experience here at WVDAS has been fun and rewarding. I have enjoyed the one on one education and I've enjoyed learning all aspects of Dental Assisting. It's been really rewarding and a great accomplishment!! –*Jaime Pierce*

This class was hands on training from day 1. Teri Netter was a great instructor sharing as much of her knowledge as possible in the time allowed. After only 5

Saturday classes I started my 200 hours at a busy dental practice and am satisfied with my WVDAS basic training. I feel confident that I am going to keep up with the dental practice. – *Irene Guerrero*

WVDAS is a great school. The hands on experience is fun and made me excited and eager to go out and be an assistant. Teri was very supportive and helpful. The best teacher I have ever had! – *Brielle Mendoza*

Everything we learn in class is applied in the clinic. Through WVDAS I have an internship where I get a chance to work in an actual operating dental office with real patients. – *Shellsea Bailey*

My experience at WVDAS has been fast paced and in depth. At week 8 so far, I already feel confident that I will be able to leave the program ready to assist. Teri is a great instructor and her passion for dentistry always shows. – *Danny Johnston*

I love the environment WVDAS creates. My instructor was great, she created a warm comfortable environment that made learning fun and easy. For me learning in an environment that was comfortable made it much easier. Everyone we come in contact with here at the school was very knowledgeable and always willing to help. – *Tabbatha Richards*

I enjoy being part of the WVDAS school! The teachers are great and the hands on clinic is the best thing. I definitely think hands on is the best way for me to learn! Thank you for having me in your school! I loved the class and Teri is a great teacher! – *Renaë Tyner*

My experience in this class has been very informative and my teacher and classmates have made it fun and I've learned a lot with hands on in the clinic. Thank you for making my dreams come true. – *Danielle Pemberton*
